

ROMAN COIN

52" x 68"

Fabric:

- 60 4.5" x 8.5" rectangles
- 6 4.5" x WOF strips for sashing
- 6 4.5" x WOF strips for borders

1. Sew 15 rectangles, long sides together, into a column using a 1/4" seam.
2. Make 4 columns.
3. Measure the length of the columns. (Each one should be 60.5" long.)
4. Sew the 6 sashing strips together, short ends to short ends, to make one long sashing strip.
5. Cut 3 sashing strips the correct size. (60.5")
6. Sew a sashing strip to the right side of 3 of the columns.
7. Sew the 3 pairs of columns and sashing together. Sew the fourth column to the right side.
8. Sew the border strips together, short ends to short ends, to make one long border strip.
9. Cut two border strips the same length as the sashing strips. (60.5")
10. Sew the border strips to the left and right sides of the quilt.
11. Measure the width of the quilt top. (52")
12. Cut two borders the correct size for the top and bottom and sew them on the top and bottom.
13. Press the top from the back making sure the seams are flat and in the right direction.
14. Press the top from the front.
15. Pat yourself on the back for making a beautiful quilt top!
