

# Grand Strand Quilters 2025 Mystery Block Of the Month (GSQ BOM)

## MONTH 1 (FEBRUARY)

Presented by Lou Veverka

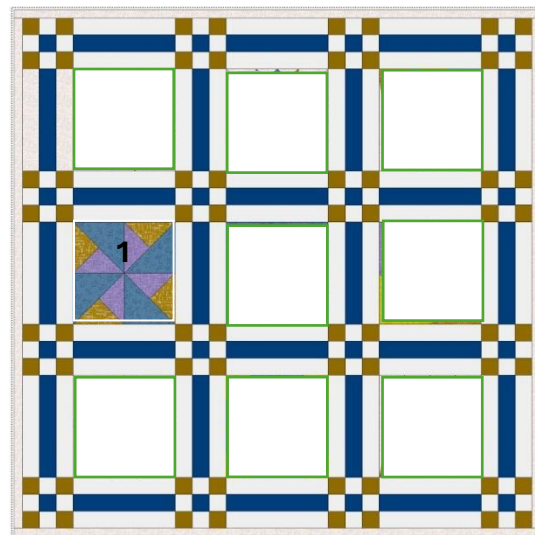

**Fabric requirements:** are approximate, and I have designed this for **four** color schemes and a background fabric. But you can use any fabrics you have in your stash and make it as scrappy as you like. Select four colors you would like to have in the quilt, if you're going scrappy gather enough fabric of four color schemes and separate into four piles. The colors I have shown here are for me to calculate the amount of fabric needed. The sashing and cornerstones can be made from background fabric and any one of the four color schemes, they can also be omitted completely, your call completely.

I have a few options in my stash that could work.

Not pictured is a FQ bundle I had in my stash, which is what I decided finally to use. It will be nice if I need to add fabric to the project, although I do not believe that I will. The FQ bundle has highs and lows in color contrast and **will work** out nicely.
