

Ohio Star

The Ohio Star pattern is from www.quilterscache.com where it is a 12 inch block. I have rewritten it to make a 9 inch block for us.

Supplies –

Blue – 1 – 3 ½ inch square for center

Red - 2 – 4 ¼ inch squares

White 2 – 4 ¼ inch squares and 4 – 3 ½ inch squares for the corners

Construction –

Make the stars as shown in the instructions using the red and white 4 ¼ inch squares.

Complete construction as written on the website using the blue for the center and red and white for the stars.
