

## Colorado - Colorado Beauty

The Colorado beauty block has been around a long time and can be found on several sites including [www.blockcentral.com](http://www.blockcentral.com) where it is shown as an 8 inch block as it is in all the other locations I found. Once again, the instructions are good but the measurements have to be changed for our 9 inch block.

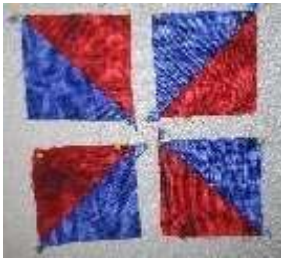

Supplies -

8 blue  $3\frac{3}{8}$  in squares  
2 red  $3\frac{3}{8}$  in squares  
6 white  $3\frac{3}{8}$  in squares

Using the red squares and 2 blue squares make 4 HSTs for the center pinwheel.

Using the white and remaining blue squares, make 12 more HSTs.

Press and trim all HSTs to  $2\frac{3}{4}$  inches.

Put all the HSTs together as shown, sewing each row then connecting the 4 rows.
