Sewing

Take piece D place on right hand side of piece E. sew a diagonal line from center top to bottom right corner. Cut off excess and press towards D. make 4 units like this.

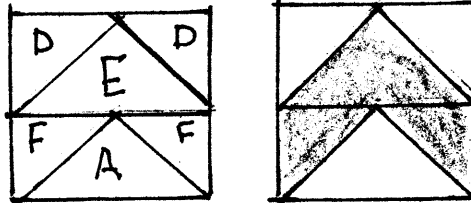

Using the unit you just made place piece D on the left side of the unit and sew a diagonal line from top center to bottom left corner. Make 4 units. See diagram.

Repeat the above process using piece A and piece F.

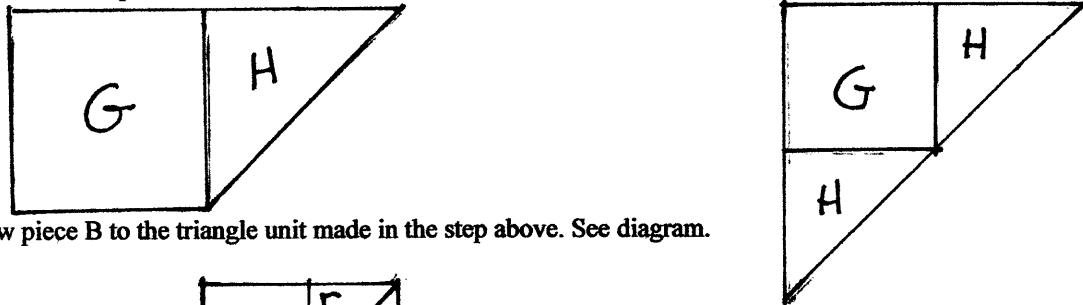

You should have 4 unit with dark geese and 4 unit with a light geese.

Sew the 2 unit together with the dark geese on top. You will be forming a arrow looking unit. See diagram.

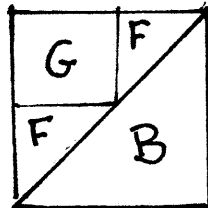

Take piece G and sew piece H to it see diagram for placement. Press towards the triangle/ make 4 units.

Place another piece H and sew to unit you just made using the diagram for placement.

Sew piece B to the triangle unit made in the step above. See diagram.

Sew block together using the diagram for placement.
