

## Montana - Rocky Mountain Puzzle

This is an update to the original pattern. The block is also from [www.quilterscache.com](http://www.quilterscache.com) but it is shown as an 8 inch block.

### Supplies

2 blue rectangles 1 1/2 x 5 inches  
2 blue rectangles 1 1/2 x 3 inches  
1 red 3 in square  
2 white 2 3/4 in squares  
5 red 3 1/8 in squares  
5 blue 3 1/8 in squares

Sew the 2 small rectangles to the red 3 in square - top and bottom. Press open. Sew the 2 larger rectangles to the sides of the red square. Press open.

Make half square triangles with the red and blue squares. Cut open and trim if necessary to 2 3/4 inches. Reserve the white squares for the construction step following.

Put the block together. Sew 2 of the HSTs together and press open. Repeat. Sew these to the sides of the red blue middle square. Press.

Sew the top and bottom rows as shown. Press. Then sew the 3 pieces together. Be careful that you have the HSTs pointed in the correct direction.
